1. **Grievances of 2005 batch pay anomaly:** Some GEJTO of 2005 batch came to inform about their grievances regarding fixation of revised pay and the anomaly related to their pay scale for those who have joined after 01.01.2007. They were asked to be patient as the matter is already in the active consideration at Head Quarter level as well as circle level. They were informed that this matter of pay fixation is the first and foremost issue to be settled at the HQ level. They were also advised to keep regular updates on the CHQ website of AIGETOA. They were also assured the AIGETOA will take strong action in favour of 2005 batch if the matter is not solved within stipulated time.
2. **Fund Collection:** Fund collection status was discussed with all the zonal officers. A good amount of fund was collected from Salt lake area and City area. AIGETOA is thankful to all the concerned zonal officer and support staff for this collection. All the other zonal officers are requested to expedite the collection process so as to keep the fund condition healthy and send some amount to CHQ.
3. **Membership verification:** Zonal officers are requested to complete the online membership process as quickly as possible. Because this thing only will determine the existence of our association in future. They were informed about the seriousness of the process.

5. **Duty assignment of Zonal officers:** Zonal officers are requested to solve any local problem (Zonal problem) at their level. And any member should approach to the CS/CP only through zonal officers. Other wise it will be difficult for CS/CP to handle all the individual problems.
6. **LDCE Exam:** As we all know that AIGETOA is always against LDCE concept. It is a kind of humiliation to qualified (who have already passed the all India JTO exam) executive to take exam for promotion. But as per CHQ directives, members of 2002 batch who couldn't sit for the LDCE exam may send individual representation (format available in the AIGETOACHQ website) to Dir HRD
