Date: 12.06.2017

Sub: - Tender for various Job works in operation, maintenance, marketing e.t.c, of Telecom Network. - seeking urgent appointment reg.

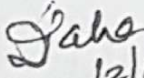

Sir,

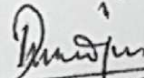

With reference to the subject mentioned above, this is to inform you that recently, GMs/PGMs are instructing our executives for floating tenders for various Job works in operation, maintenance and marketing e.t.c. of Telecom Network. The Job Contract Scheme is existing in Calcutta Telephones for last more than 12 years. The last tender in this respect had occurred centrally in 2009-2010. Now, we are surprised to learn that the PGMs/GMs are instructing the field officers to float tender immediately for Job Contract Scheme within the financial power delegated to PGMs/GMs. Herein, we would like to point out that no consultation had taken place with the executive associations who forms a major stake in the proposed exercise. In absence of such consultations, the field executives are unaware of the roles and modalities that are to be adopted and remain apprehensive on some crucial but unclarified items.

Moreover the recent circular from DGM (Vigilance) cites for non splitting of tenders meant for items common under same establishment, clarifying as to why the same should not be adopted.

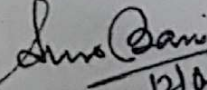

In the view of the above, the Forum of executives of CTD seeks for an early and convenient appointment time to moot its points elaborately to reach its finality. In this context, we would further like to request you to hold the process in abeyance till the discussion in this regard takes place.

Sincerely yours
